# Message from the Co-Presidents

Sallie Piccorillo and Pat Moran

As we begin a new year for our branch, we are still not out of the woods with COVID-19 and its variant. A survey was conducted to determine member interest for meeting in person. The survey results indicated that Zoom is the preferred meeting site. Therefore, for the remainder of this calendar year, we will still meet via Zoom.

We will have one fundraiser again this fiscal year. It will be the Year-End fundraiser in which we will donate funds to the branch and to AAUW National's Greatest Needs Fund (9110). The funds will be distributed to the following:

- National AAUW-Fund (9110)
- Local College Scholarships
- Speech Trek
- Tech Trek
- General Fund
- AAUW-CA Projects

This year the Board is emphasizing the AAUW mission statement and how our branch implements it.

**AAUW's Mission:** To advance gender equity for women and girls through research, education and advocacy. <http://www.aauw.org>

AAUW awarded \$6 million in Fellowships and Grants this year to 320 recipients. 49 of these are in California.

**AAUW California's mission:** AAUW California facilitates California branches in meeting the vision and mission of AAUW by providing programs, education and resources. <http://www.aauw-ca.org>

Last year we nominated branch member, Karen Vanderwerken for a state position and she is now the chairperson for AAUW-CA Fund.

It is time for you to consider becoming a candidate in the upcoming AAUW California election in April 2023. This year, we will be electing three two-year term directors, a CFO, AND a president-elect!! Serving on the state board is a great experience and a way to help guide AAUW California into the future.

## **AAUW-DML Branch mission:**

The purpose of AAUW is to promote equity for all women and girls through advocacy, education, philanthropy and and girls through advocacy, education, philanthropy and research. <https://delmarleucadia-ca.aauw.net/>

Our branch sent 22 girls to Tech Trek, awarded 4 local college scholarships, a National Conference of College Women Student Leaders (NCCWSL) scholarship at the national level, awarded the Fran Miller Scholarship, and donated \$2000 to AAUW National for the Greatest Needs Fund.

**DML LEADERS NEEDED:** We are looking for branch leaders for Programs and DEI. We approach these positions with a teamwork attitude. As leaders, you will be supported by an enthusiastic committee.

The board invites you to join them in their enthusiasm about our forthcoming year. I am personally looking forward to meeting more members and hearing about their ideas for the branch.

## **Sallie Seymour Piccorillo, Co-President**

As we continue adapting to the circumstances of our Covid-19 world, know that our AAUW mission is as important as ever. You are an integral part of that mission. Spend some time exploring our website. Try something new. Ask questions. Spread the good word about AAUW.

Know that your participation matters. By sharing your time and talents, you do make a difference.

Let's be a part of changing the world. We are better...together.

## **Pat Moran, Co-President**

## Del Mar Leucadia AAUW Tech Trek – Summer 2022

Lorraine Pfahl

DML AAUW Branch sponsored 22 girls to attend the Tech Trek Camp virtual camps this year. There were 2 virtual camps in the weeks of June 19-24 and July 24-29. All five of our local schools participated, Earl Warren Middle School, Diegueno Middle School, Pacific Trails Middle School, Oak Crest Middle School and Carmel Valley Middle School.

### Our DML virtual camp participants say it all!

#### Camper 1 - Ashley

*Hello!*

*I just completed week one of Tech Trek camp, it was a really awesome experience and I had tons of fun :)*

*All the workshops were fun, and the kits were really organized which made it really easy to find what we needed for each workshop. The inspiration hour speakers were very nice too, they answered so many questions and their presentations/stories were all very inspiring. However, what I liked best about the camp was that I was able to meet new friends/coaches in my breakout room! We shared ideas and gave each other feedback/comments, and we even made a playlist together!*

*Thank you so much to everyone that made this happen, it was truly an awesome experience.*

*Therefore, I'd like to come back as a coach in the future, and how can I do that?*

*I heard there's a program call TTAG and that we can join it through our local branch coordinator?*

#### Camper 2 - Sarah

*This is Sarah, and I really loved Tech Trek. Thank you so much for giving me this incredible opportunity!!! The camp was so fun and inspiring, and the community, both coaches and fellow campers, were so supportive and encouraging! As soon as the meeting was over on Friday, I burst into tears, already missing the camp. Tech Trek was by far the best camp ever. The only thing that I found was confusing was the checklist in the Tech Trek materials box. Many of the material bags I received were not labeled, so I had trouble checking them. Other than that, the camp was exceptional in every way possible!*

*Also, I would like to become a coach next year. Is there anything I should do now?*

**Thank you again to our Donors for allowing us to sponsor 22 girls to attend this year's Virtual Camp.**

**Welcome to the Tech Trek Committee Carol Waltz and Sallie Piccorillo.**

There are so many ways that we can extend and build on our Tech Trek Program through weekend STEM programs, Alumni Group activities and Stem in the field - visiting local Stem companies etc.

## AAUW CA Tech Trek by the numbers

COVID COULDN'T KEEP US DOWN!

Thanks to the phenomenal support of the camp directors, committee members, branch coordinators, schools, and the AAUW California leadership team, we have been able to deliver another successful season of Tech Trek camps in California. So many challenges and potential obstacles were thrown in our path this year, from COVID-19 to a new database, and once again you all rose to the challenge!

From the first in-person camp orientation on June 12th to the virtual camp Closing Campfire on July 29th we successfully served **639 campers** from **94 branches** at **eight camps** (six residential, two virtual) across California, staffed by a community of **230+ volunteers**, over half of whom were Tech Trek alumnae!

We want to thank our 2022 leaders: Program Director Karen Manelis, Financial Liaison Susan Steckclair, and Virtual Camp Director Mary Isaac.

We welcome Mary Isaac to her new role as overall Program Director, in which she will lead Tech Trek into the future alongside a soon-to-be-named Financial Liaison. Our work isn't over when the campers and staff go home and the bills are paid! Now we shift our focus to the committee work of improving camp operations and strengthening the community of Tech Trek advocates which includes branch members and coordinators, donors from our communities, and our Tech Trek alumnae! Several other Tech Trek leadership changes are in the works for this year too, so keep your eyes and ears open for more on that soon!

# Public Policy News

Norelynn Pion-Goureau

Since 1881, AAUW has been a leading voice promoting education and equity for women and girls. AAUW encourages women voters to get involved in the political process and gain a better understanding of the impact legislative action can have on our lives.

The recent US Supreme Court Dobbs decision on abortion has stimulated action in many states across the nation, including California. Our legislature passed and Governor Newsom signed AB1666 which will enable a woman coming into California to receive an abortion to be protected from lawsuits originating in her home state.

This bill was co-sponsored by AAUW CA! A further step protecting a woman's right to make personal medical decisions is a Constitutional Amendment, Proposition 1, which will be on the November 8 ballot. It would amend the California Constitution to prohibit the state from denying or interfering with an individual's reproductive freedom in her most intimate decisions, which includes the fundamental right to choose to have an abortion and the fundamental right to choose or refuse contraceptives. AAUW CA supports this Constitutional Amendment.

Congressional races are particularly important this November. Redistricting after the 2020 Census has changed the boundaries of many Congressional districts. In the current partisan climate, we need

to be aware of what is at stake in both our national and state upcoming elections. Your current member of Congress may no longer represent you – be sure to become informed soon on the candidates for Congress in your district. As you sort through all this, please reflect on priority issues affecting us, our daughters, and granddaughters, and evaluate candidates' positions on these issues.

If you are a leader in your branch, make your October program a focus on the election. You may want to consider a Candidates Night. Before a partisan election, AAUW branches may host candidate forums to which **all** major-party candidates in that election are invited. AAUW branches with 501(c)(4) status must make a thorough and good faith effort to ensure the participation of at least two candidates for a specific office but may proceed with a forum if only one candidate accepts. AAUW branches with 501(c)(3) status may only proceed with a candidate forum event if at least two candidates have accepted the invitation.

Here are resources to get helpful, non-partisan information:

- AAUW CA website: [aauw-ca.org](http://aauw-ca.org) Public Policy section will soon have more detail on priority issues and questions to ask of candidates.
- AAUW website: [aauw.org/policy/advocacy/tool-kit](http://aauw.org/policy/advocacy/tool-kit) Ideas for branch activities, C/U partners, and specifics for 501 c 3 and 501 c 4 branches.
- CA Secretary of State website: [www.sos.ca.gov](http://www.sos.ca.gov) voter info, Ballot Initiatives.
- State and County Voter guides – mailed to all registered voters in October.
- [www.wedrawthelinesca.org](http://www.wedrawthelinesca.org) – maps of newly re-drawn congressional districts

**Register to vote, if you haven't already! And if you have recently moved you need to update your information with your County Registrar of Voters! Voting is a powerful tool to bring about change.**

Karen Dorney

I grew up mostly in Waterloo, Ontario Canada although born in the USA. After one year at Shimer College, which was then in Mt. Carroll, Illinois, now in Chicago, I attended the University of Waterloo where I received my BA in psychology. I relocated to Paris where I studied at the Ecole Lecoq School of Movement followed by one year post graduate study in Dance Therapy at Goldsmith College, the University of London, the Laban Centre.

Marriage and motherhood followed and I moved to Brussels, Belgium with my Belgian husband. Back in Waterloo, Ontario some years later as a single mother, I completed another BA in Fine Arts. My career for the next 9 years my career in Toronto and Paris was in curating, fundraising, development of and/or executive producing film and some television.

After moving to Encinitas I switched careers, moving to therapeutic work with children and families, completing my MSW at San Diego State University in 2005. I worked for San Diego Child Protective Services for five years before moving to work as a therapist for the US Navy and finally for the Marine Corps at Camp Pendleton. I am now working part time as a therapist in private practice.

I love time with my sons and grandsons, friends and clients; watching films, reading novels, dancing, listening to music, gardening, and recently Tai Chi. Learning about people and how our brain/body functions are fascinating for me. Currently I'm trying to learn Italian. I wish I had been a linguist, as I love languages. Looking forward to being a member!
